CHAPTER 39, ACTS OF 1809
COMMONWEALTH OF MASSACHUSETTS

In the year of Our Lord One thousand eight hundred and ten.

Section 1. Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, That all the Lands belonging to Simeon Burt, Abner Burt, Edmund Burt, and the heirs of Stephen Burt, deceased, which belong to the town of Taunton, but lie within the bounds of the town of Berkley, with all the buildings standing on the same, be and they are hereby set off from the town of Taunton, and shall be annexed to and made a part of the town of Berkley. Provided however, that the said Simeon Burt, Abner Burt, Edmund Burt, and the Heirs of Stephen Burt shall be holden to pay their respective proportions of all State, County, Town and Parish Taxes assessed upon them, and due to the said town of Taunton prior to the date of this Act.

Section 2. Be it further enacted, That there shall be taken from the town of Taunton, and be added to the town of Berkley three cents in the State Valuation, which shall be the rule for assessing the said Towns for State and County taxes, until there shall be a new Valuation taken.

In the House of Representatives Feb. 3, 1810

This bill having had three several readings, passed to be Enacted.

Timothy Bigelow, Speaker

In Senate Feb. 5, 1810

This bill having had two several readings, passed to be Enacted.

H. G. Otis, President

(Harrison Gray Otis)

Feb. 6, 1810—Approved—C. Gore

(Christopher Gore, Governor, later U.S. Senator from Mass.)

Attest: Francis F. G. Andrews, Town Clerk

The above is the third in a series of five legislative Acts pertaining to the land area of the town of Berkley. The first two are incorporated in the annual reports for 1975 and 1976; two more are to follow.

TOWN CLERK’S REPORT

To the People of Berkley:

This is my thirty-fourth report to you, covering the calendar year 1977, and includes, in addition to these comments, a number of subjects.

The first subject is the information printed on the inside front cover, listing the names of our representatives in Congress, and in the General Court, as well as the various elected county officials. It is noted that we will be in different Senatorial and Representative district in 1979.

Next you will find another chapter in my continuing search for information as to how the present area comprising the town of Berkley has been cut off and added to over the years. This year’s is the third installment, being Chapter 39 of the Acts of 1809, annexing lands to Berkley already within its borders but belonging to the town of Taunton, as described in the Act creating the town 74 years earlier.

Thirdly, I have listed under the title “Our Public Servants” the persons serving the town, either by election or by appointment. As one of these servants, who are sworn to the faithful performance of their duties according to the laws of the Commonwealth and the by-laws of the town, I think it is well to occasionally remember that that is what we are, servants of the people; and I mean all the people, impartially, in, to quote Thomas Jefferson and the Declaration, their search for Life, Liberty, and the Pursuit of Happiness. Many times, I fear, these goals have been obscured.

Next are the summaries of the town meeting votes and the results of the town election, the only election held during the year. The actual votes, of course, are entered in the town records; it should be borne in mind that these summaries are condensed versions. There were four business meetings in 1977; the annual on May 2, and specials on March 3, June 23, and October 6. The annual election was held May 7 as provided in our by-laws.

After the meeing summaries are the births, deaths and marriages recorded in Berkley in 1977. It is interesting to note that our recorded births are not increasing, despite the population increase; comparative figures on the number of Berkley births are:

1970	37	1973	21	1976	21
1971	31	1974	33	1977	23
1972	20	1975	23		

and what these figures indicate is that the increases in the number of school age children is mainly due to new families with children moving into the town.

And lastly, following the vital stastics, is the jury list. This is one of the few items actually required by law to be printed in the annual report.

Equipment added to the town clerk's office in 1977 included a new Mosler class B two hour fire resistant safe. For this, bids were requested by advertising, and seven were received, the prices ranging from a high bid of \$1,365. to a low of \$767., for which the safe was purchased. Additionally, several pieces of used office equipment, in fairly good condition, came into the office through the courtesies of Civil Defense Directors James Barrow and Brian Perry, and I thank them for their help and cooperation.

Having our old records rebound to preserve them continues. There are now new bindings on the borth, death, and marriage records from 1844 to 1860, and on the marriage records from 1860 to 1943. Several more volumes need re-binding.

A few words about the financing of the town clerk's office. Taking the salary of the town clerk first; for fiscal 1978, an annual salary of \$1,000. was voted, with all the town clerk's fees, previously retained by him, now to be turned in to the town. The \$1,000. request was based on the previous salary of \$500., plus fees estimated at another \$500. It is turning out that this was underestimated, as for the 6 months ending December 31, \$315.45 in fees was collected, with another 6 months to go.

\$1,175., which included the safe purchase, was budgeted for expenses for fiscal 1977; however, to meet the total actually spent it was necessary to seek a transfer from the reserve fund of about \$120. Expenditures for 1977 were the following, by groupings.

Association dues	\$ 12.00
Advertising	21.42
Binding records	72.00
Bond	20.00
Clerical	85.80
Forms, supplies, etc.	44.55
Postage	78.00
Printing	54.00

Telephone	20.43	
Heat	98.18	
Moving old safe to office	20.00	
New safe	767.00	
	<hr/>	\$1,293.38

For fiscal 1977 the appropriation voted for elections was \$1,070. Largely due to increased payrolls, total expenditures came to \$1,120.77, necessitating another small transfer from reserve. There were three election payrolls; for the September primaries, the November election, and the town election in May.

Payrolls	\$939.04	
Ballots for town election	138.00	
New voting booth	30.76	
Miscellaneous	12.97	
	<hr/>	\$1,120.77

As there is but one election in the fiscal 1978 period, the appropriation was reduced to \$700. However, for fiscal 1979, we will again face three elections, so the seesaw will tilt up again.

My thanks for their friendly cooperative spirit go to the Library Trustees and to the librarians, Mrs. Catherine Custy, succeeded by Mrs. Eleanor Dillingham.

Office hours of the town clerk in Memorial Hall in the library basement are:

Mondays, 5 p.m. to 7 p.m.

Tuesdays, 2 p.m. to 5 p.m.

Thursdays, 10 a.m. to 12 noon, 1 p.m. to 5 p.m., 6 p.m. to 8 p.m.

Fridays, 2 p.m. to 5 p.m.

Respectfully submitted,
 FRANCIS F. G. ANDREWS,
 Town Clerk

Article 3. Voted to amend the agreement of the Bristol-Plymouth Regional Vocational Technical School District by accepting two paragraphs; Section I, subsection C., Elected Members; and subsection E., Organization and Commencement of Terms of Office.

Article 4. Appropriated \$4,751.75, and approved for payment some unpaid bills of previous years of the Veterans' Services Department, the Planning Board, and the Selectmen, and not submitted in time for payment by the department heads; the appropriation to be funded from fee cash in surplus revenue.

Article 5. Defeated a motion to purchase the property at 9 Porter St. for use as town offices, with an appropriation of \$34,900.00 for the purpose.

Article 6. Voted to table this article, for an appropriation for renovation and repairs of the property at 9 Porter St.

Article 7. Voted to table this article, for an appropriation for the operation of the property at 9 Porter St.

Article 8. Voted an appropriation of \$2,849.00 for ambulance equipment, to be founded by Federal aid under revenue sharing.

Article 9. Voted to allow a playground for children to be constructed on Berkley Common by a private group. Asked for his opinion, Town Counsel Mastromarino thought the article was not legal in that the name of the private group was not specified.

REPORT OF TOWN AUDITOR

January 24, 1978

I submit herewith my annual report as Town Auditor.

Due to the lack of any previous records, I have spent considerable time in researching the duties of Auditor and in establishing a system.

During the next few months I will be implementing this system by auditing the officers of the Town of Berkley.

Respectfully submitted,

CAROL L. MILLS,
Town Auditor

OFFICE OF CIVIL DEFENSE

Dear Townspeople:

I would first like to take this opportunity to say "Thank You" for receiving the chance to serve you as your Director of Civil Defense. I hope I can continue to serve you. Please feel free to contact me, whenever you have a question on how Civil Defense can assist you.

In 1977 we have, in conjunction with the Fire Dept. and the Lions Club, trained 21 townspeople in Cardiopulmonary Resuscitation. There will be more of these classes being held during 1978. With the cooperation of the Fire Chief, we were able to obtain, at the cost of towing it home, a $\frac{3}{4}$ ton Army Cargo Truck. This will be used for Fire Suppression; and, will replace the old pick-up truck.

I sincerely hope that this Department can continue to serve the town in this manor, as well as in times of emergencies.

Your Servant,

BRIAN W. PERRY,
Director, Civil Defense

BERKLEY-DIGHTON COMMUNITY CENTER REPORT

"We Bridge the Gaps Between Needs and Services"
To the Citizens of the Town of Berkley:

Through your support the goal we have set of providing you with a Center, to meet a wide range of human needs, is now more of a reality than ever before. During the last calendar year our energies have been directed towards solving problems, lending support, responding to community concerns and making our agency more available to you, the citizens we serve. We have been bridging the gaps between needs and services.

What have we offered to your community? The answer must include information about services from other agencies, counseling, guidance, problem solving, educational services, a children's services program, a call to the elderly service, a twenty-four hour hotline, home visits, access to a psychiatrist, psychologists and other skilled consultants and some fun events like our annual fund-raising dance. The full time staff who provide these services hope you see that they are not limited to the usual mental health services offered in the past. What does it cost? The cost to you is quite inexpensive. You are asked to pay only what you can afford, and services are never denied to anyone due to inability to pay for them. Also, **anyone** who lives in your community is eligible for service. Of course, at the Annual Town Meeting you regularly support us financially. These funds go towards our basic operating expenses. By the way, your community brings us over 50% of our growing case load.

Here are some of the problem areas we deal with each year; problems in relationships, depression, physical handicaps, consumer protection, 766 planning, family concerns, severe emotional disorders, anxiety, unemployment, parenting, weight control, needs for medications, legal aids, loneliness, etc. In attending to these we have cooperated with several community agencies like the police, the schools and agencies outside of Berkley like the Massachusetts Rehabilitation Commission and the Office for Children. We feel we are a part of your community and hope you feel the same. Our office may be in Dighton but we are always ready to serve you.

The Center has much to be thankful for, the Berkley Congregational Church and its people gave us a start. Mr. Floyd Van Winkle, who is now deceased, opened many doors for us. Our Board Members have given us much time and

effort. We remember all of you.

Please come by and see us or call us if you prefer it. We want to meet your needs if we can and we hope to hear your views about the community. With your time and help even more can be done.

Respectfully submitted,

LEONARD V. KONARSKI,
Center Director

CATHY PRUNEAU,
Board President

BRISTOL COUNTY MOSQUITO CONTROL PROJECT

December 31, 1977

On June 30, 1978 the Bristol County Mosquito Control Project will complete nineteen years of service to the Town of Berkley and nineteen other communities in the county.

The Project experienced one of the worst mosquito seasons that it has encountered since its inception.

The early arrival of warm weather was partially responsible for an early start to the mosquito season and rains that came later on created additional breeding areas.

Even with the heavy influx of mosquitos, there was but one case of equine encephalitis reported in the entire county.

In February, we began our larviciding program and 32 acres were treated before our sprayers were mounted on April 11th.

The spraying season terminated on September 9th and our brook and ditch maintenance program got underway. This resulted in the reclamation of 1,325 feet of existing waterways and the removal of 1,325 feet of brush.

We thank the residents of Berkley for their continued cooperation.

Respectfully submitted,

FRANK W. DILLINGHAM,
Superintendent

REPORT OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DIST. (SRPEDD)

During 1977, the Town of Berkley continued its membership in the Southeastern Regional Planning and Economic Development District, a planning agency set up by State legislation to serve the thirty communities in southeastern Massachusetts.

The District is governed by a Commission consisting of a chief elected official or a designee and a planning board member for each member municipality, and six minority and low-income representatives. Berkley's District Commission member is Frederick W. Nelson. Berkley has also been represented on advisory committees to the District Commission, such as the Committee on Water Quality.

District staff under the guidance of the Commission and various committees prepares long- and short-range plans for southeastern Massachusetts, including Berkley, on such subjects as land use, housing, transit, transportation, economic development, water quality and solid waste, as required and funded by the State and federal governments. Preparation of certain regional reports enabled communities to be eligible for federal and State funding.

However, most of the District's time is devoted to assisting cities and towns. Through the municipal assistance program each municipality receives a certain amount of time at no cost beyond the per capita assessment. Municipal assistance projects have included the following: Master Plans; Open Space and Recreation Plans; Subdivision Regulations; Landfill Inspections; Site Analyses for Proposed Development; Solid Waste Plans; Drainage Studies; Urban Renewal Plans; Home Rule Charters; Zoning Ordinances; Transportation Corridor Studies; Traffic Circulation Plans; and Industrial Survey Plans.

The District has also served as a conduit for information and assistance on federal programs such as Community Development Block Grants or Public Works Projects, and has enabled local officials to participate in state policy making in the Coastal Zone Management Program, the Offshore Oil Development Program, local growth policy and highway development.

The District, in essence, represents the collective will of the cities and towns in southeastern Massachusetts. As the responsibilities and problems of municipalities become increasingly complex, the agency can provide the necessary technical assistance, insure cooperation among municipalities, and provide for a comprehensive approach.

REPORT OF THE BURIAL GROUND COMMISSIONERS

Honorable Selectmen and Citizens of Berkley:

We the Commissioners give you this report for January 1, 1977 to December 31, 1977. There were three burials, one cremation, and two plots sold. Work is still being done on the records.

If anyone has any information that could be used for the records, please feel free to call.

**REPORT OF THE
BOARD OF REGISTRARS OF VOTERS**

1977 Report to the People of Berkley:

The count of residents ages 17 and over taken in our street listing as of January 1, 1977 is 1,622. This is an increase of 124 over 1976. In addition to this count, we also listed for the school department, persons ages 3 to 21. As much as possible, the 1977 listing was done by house calls. Several complaints of persons impersonating street listing personnel were made, and since the law no longer requires actual visits to homes to obtain the information, most of our work for 1978 is being done by telephone. The only information asked for in this work is: Name, address, age or date of birth, residence previous year, occupation, and nationality if not a citizen. It may be of interest to list the six streets having the greatest number of persons aged 17 and over January 1, 1977:

Berkley Street	234
Jerome Street	123
Padelford Street	110
Bay View Avenue	109
Myricks Street	94
South Main Street	94

The number of registered voters decreased in 1977, with more names being removed from the voting list than were newly registered. This seems to be the trend after a presidential election year, when there seems to be a letdown in the desire to be registered as voters. As of December 31, 1977 the voting list contained 1,159 names, of which 618 are not enrolled in any political party (the so-called independents), while 321 were listed as Democrats, 216 as Republican, and 4 as members of the American party.

It is now required by law to hold a special session for registration of voters ten days before a special town meeting, from 12 o'clock noon until 10 o'clock p.m. And everyone should be aware that, excepting for periods when registration is closed, persons may register as voters during office hours of the town clerk. We think it is very important that all persons over the age of 18, and not otherwise ineligible to vote, become registered voters in the town.

Our appropriation for fiscal 1977 was \$1,075.00. Street lists were not printed as expected, resulting in lower expenditures than usual. Expenditures were:

Salaries and wages:

Registrars and clerk	\$275.00	
Street listing	300.00	
Forms and supplies	45.90	
Printing (voting lists, etc.)	126.00	
	<hr/>	\$746.90

BERKLEY CONSERVATION COMMISSION

Board of Selectmen

Berkley, Mass.

Gentlemen:

The Wetlands Mapping Project has been completed. The maps and other documents that make up this package clearly illustrate what Berkley land areas are wetlands, what type of wetlands and the value those wetlands are for water resources, flood control and etc.

Each wetland area is sectioned into smaller parcels and given numbers. The parcel number references all the information available for that wetland.

The Berkley Conservation Commission gives due credit to the Berkley Landuse Committee, whose members efforts made the Wetland Mapping Project possible.

SELECTMEN'S REPORT

During 1977 Berkley remained economically solvent. We did not borrow in anticipation of tax revenue while we reduced our bonded indebtedness to \$40,000 or less than \$18.00 per person. Unfortunately, we experienced another substantial \$6.00 increase in our tax rate to \$62.00. Why? Because the state reimbursement decreased by exactly that amount and we had no alternative but to raise our local property taxes to pay for this drop in state reimbursements. Berkley continues to rank in the top ten of the thirty-five cities and towns in Massachusetts in the ratio of school costs to general costs. More than 80% of our taxes are used to pay for education.

We continued to improve the roads throughout Berkley through a general upgrading, oiling and line painting program. The Federal Comprehensive Employment and Training Act was continued and these workers supplemented our highway and school maintenance efforts. We received speed limits from the state for our roads and the necessary funds were appropriated and signs purchased which are now being installed. For the first time Berkley will have traffic control signs. We began to upgrade our highway drainage systems which had been seriously neglected. This will continue until we have eliminated all serious problems.

The first Berkley "Citizen of the Year" Awards were won by Clara Ashley for her outstanding volunteer work in the 4-H Program and Francis Andrews for his years of dedicated service as Town Clerk. They were selected by the Selectmen and we welcome nominations for the 1977 awards to be presented this Spring.

We see further substantial increases in future the cost of local government. All municipal employees including teachers must have unemployment insurance. This will cost Berkley over \$20,000 per year and is a new expense. In addition the cost of our liability, fire, and theft and vehicle insurance policies continues to increase dramatically. Our county and local retirement expenses are also increasing rapidly. Because of these increases, we need to carefully control all expenditures.

The pressure on local government continues unabated as more and more state and federally mandated programs are enacted. We continue to see more deficit spending at every

level of government. We should be proud that Berkley has reduced our debt significantly during these past few years to \$18. per person. However, the new Federal budget of \$500 Billion equals \$2,350 per person and the projected Federal deficit of \$60 Billion equals \$282 per person. The Massachusetts state budget has increased to over \$4 Billion, or \$740 per person. These are frightening figures. In an economy where government remains the fastest growing segment we ought to be concerned regarding where this is all leading.

We again ask each of you to step up and contribute to your local government. With your active support, we can achieve results we can all point to with pride. Without your support, we will continue to lose control and pay even higher taxes. The choice is yours.

4. COMMENT

I'd like to thank all who helped in any way to cause this year to be as successful as it has been. We show a decrease in total taxes due at the end of this year, the first time in many years. There is no doubt in my mind that the main reason is that this Office presently is being run almost all day. The ease Banks and Realty Firms and Attorneys

have in quickly getting information is paying off. Hopefully the time will come when this Office can operate on a full time basis through even more inter-departmental co-operation.

Respectfully submitted,

AFRED T. TOWNLEY III,
Collector of Taxes

ANNUAL REPORT OF THE BERKLEY PLANNING BOARD

During the calendar year of 1977, the Planning Board reviewed and signed twenty-eight (28) plans depicting a total of sixty-four (64) lots of land not requiring approval under the Subdivision Control Law. In addition, one (1) development containing seventeen (17) house lots requiring approval under the Subdivision Control Law was submitted to and approved by the Board.

The Planning Board believes that there is a potential for rapid uncontrolled growth within the Town and at the annual Town Meeting in May 1977, the Board presented to the townspeople two articles that would have increased the minimum lot size and frontage requirements for a single building lot. However, both of the articles did not receive the sufficient number of votes for approval.

At the May Town Meeting, funds were appropriated for a wetlands mapping project. The wetlands maps were completed this past autumn by Interdisciplinary Environmental Planning, Inc. of Wayland, Mass. and the detail drawings are on file in the Planning Board office in the basement of the Berkley Public Library.

The wetlands maps will be used by the Planning Board to determine areas within the Town sensitive to future development and growth. The wetlands maps will also be available to the Conservation Commission for their information and guidance in evaluating wetland areas throughout the Town.

The Planning Board meets the first and third Monday of each month and anyone interested in the wetlands maps or other matters concerning town planning is welcome to attend.

Respectfully submitted,

HOWARD B. NEWTON, Chairman
MAURICE BEAUDOIN, Clerk
THEODORE F. LIPPOLD
FREDRIC W. NELSON

ANNUAL REPORT OF THE BERKLEY BOARD OF HEALTH

Regular monthly meetings of the Board of Health were held on the first Thursday of each month at the Berkley Junior High School.

At the July meeting, John Fernandes was elected chairman and Mary Flint was elected clerk, Robert DeArruda member. John Fernandes was elected as the board's representative to the Soil Conservation Board.

Also, in July appointments were made as follows:

Animal Inspector	
Town Physician	Dr. Charles Souza
Plumbing Inspector	Donald French
Sanitary Inspector	James Medeiros
Asst. Sanitary Insp.	Irving Wallace
Special Agent to	
Issue Burial Permits	Francis Andrews

Also, in October the Board of Health appointed Edith A. Rose to the position of secretary.

The rabies clinic was not held this year. It is held every other year so the Rabies clinic will be held again in 1978.

Permits issued during the year were as follows:

- 4—Piggery
- 3—Garbage Hauling
- 1—Landfill
- 1—Transfer station
- 4—Syringes and Needles
- 1—Rubbish Hauling
- 1—Campgrounds
- 3—Temporary Food Service

The Board would like to thank their various appointees for the fine manner in which they performed their duties.

Respectfully submitted,

JOHN FERNANDES, Chairman
MARY FLINT, Member
ROBERT DeARRUDA, Member

ANNUAL REPORT OF THE PLUMBING INSPECTOR

To the Citizens of the Town of Berkley:

I would like to submit the following report for the year 1977.

I inspected thirty-four (34) new plumbing installations in the Town of Berkley. There were no difficulties and no complaints of violations.

I would like to take this opportunity to thank the Board of Health and the building inspector, Mr. Irving Wallace for their cooperation in assisting me to do my job.

Respectfully submitted,

DONALD E. FRENCH,
Plumbing Inspector

REPORT OF THE INSPECTOR OF BUILDINGS

Board of Selectmen
Town of Berkley

My visits to construction sites throughout the town have found most work to be satisfactory during 1977. All regulations of the Massachusetts Building Officials Code Administration (B.O.C.A.) have been met or exceeded and the By-laws of the Town of Berkley have been followed in all cases where permits were issued. All B.O.C.A. Code violations noted in the course of regular inspections have been corrected and construction work now in progress currently complies with standards of acceptance.

As has been the custom in my term of office, records have been maintained and can be considered accurate to the best of my knowledge through December 31, 1977. A monthly report of building permits issued has been filed with the Secretary to the Selectmen and published in local newspapers.

Having met the necessary qualifications as set forth by Massachusetts legislation, I have applied for and received from the Executive Director, Commonwealth of Massachusetts State Building Code Commission, a Certificate of Qualification as Inspector of Buildings. Certification was granted under the provisions of Chapter 743 of the Acts of 1977, Massachusetts General Laws.

During the year the following permits were issued by the Inspector of Buildings:

Occupancy	5
New Homes	36
Barns, Sheds, Small Buildings	11
Garages	6
Additions	17
Commercial Building (addition)	1
Swimming Pools	4
Reconstruction of Damaged Homes	4
Silos	1
Woodburning Stove Installation	2
Trailer Replacement	2

Temporary Trailer Occupancy	1
Well Construction	5
Demolition and Razing	3
	<hr/>
Total Permits Issued	98

For the benefit of those who may be considering new construction or the remodeling of existing property in the future, a set of guidelines pertaining to building code regulations is available at the town offices. Regular office hours of the Inspector of Buildings will be held most Thursdays evenings from 7:30 to 9:30 P.M. when I will be available to answer questions and assist townspeople in completing building permit applications.

Respectfully submitted,
FRANK WALLACE,
Inspector of Buildings

REPORT OF THE SANITATION INSPECTOR

Gentlemen:

The following is a list of permits issued in the past year:

Installers Permits	14
Well Permits	22
Sanitation Permits	35

Respectfully submitted,
JAMES MEDEIROS,
Sanitation Inspector

COUNCIL ON AGING

To the Board of Selectmen:

Berkley, Mass.

The Berkley Council on Aging was established by vote at the Annual Town Meeting in March, 1973, in accordance with the provisions of Chapter 40, Section 8B of the General Laws of the Commonwealth, to carry out programs designed to meet the Problems and Needs of the Elderly in Berkley, and in cooperation with Programs of the Executive Office of Elder Affairs in the Commonwealth of Massachusetts.

Programs accomplished by the Berkley Council on Aging for the past year ending December 31, 1977 are as follows:

1. The Council sponsored one free flu shot clinic—Victoria influenza (Bivalent). 73 Seniors attended.
2. The Council sponsored ten full day health counseling sessions—45% of Berkley Senior Citizens have taken advantage of the Health Services—Average of 50 Seniors per session.
3. Sponsored a conference to test blood for Anemia and sugar diabetes—80 Senior Citizens attended.
4. Continuation to provide and distribute Identification Discount Cards—15 new cards were issued.
5. Recreation trip to White's restaurant, luncheon, and attended meeting of the Bristol County Home Care Corp.
6. Attended meetings of the Regional Assoc. of Council on Aging which we are a member.
7. Participation on the Bristol County Home Care Corp. bringing home care to Berkley elderly in need of services. B.C. Home Care Corp. includes homemaking, chore services, and Medivan service for chronic and long-term medical problems.
8. Helping individual Berkley Seniors with special needs.

Plans for the future are the following:

1. Continuation of our existing programs.
2. Continue to apply for Federal grants.
3. Legal aid for the elderly.

INDUSTRIAL DEVELOPMENT COMMISSION
of the Town of Berkley, Mass.
ANNUAL REPORT

During the year 1977, several meetings were held by the INDUSTRIAL DEVELOPMENT COMMISSION of the town of Berkley, at the Berkley Junior High School.

The meetings were fairly well attended by members of the Commission and kept the members fully informed of any new developments. New legislative acts or changes pertaining to industrial commissions in cities and towns in the Commonwealth were discussed.

A number of new industries showed interest in available industrial and business locations, but no new businesses were established in the past year.

Respectfully submitted,
EDMOND B. ST. YVES,
Secretary

BERKLEY PUBLIC LIBRARY

January 20, 1977

Board of Selectmen

Town of Berkley

To the Library Trustees and Townspeople:

1977 was the 59th year of Public Library Service from this building. All patrons are automatically re-registered. Every resident is cordially invited to come in and browse and become a patron.

Library Hours: Mon. 6-8 pm, Thurs. 10 am-8 pm, Fri. 2-5 pm

Summer Hours: Mon. 6-8 pm, Thurs. 5 pm-8 pm, Fri. 2-5 pm

Card Holders: Adult 586, Juvenile 652—Total 1,238

Books added: Juvenile 151, Adults 131, Records 12, Cassettes
7, Eight-track Tapes 8

Books Circulated: 12,409

Mrs. Catherine Custy submitted her resignation as town librarian effective the middle of August. I took over as

librarian at this time. The excellent job she had done was immediately noticeable. The transition period was made easier because of this and because of the excellent help I received from my assistant, Doris Caron. Her knowledge of the mechanics of the library system has been invaluable.

Every Thursday morning Doris and I look forward to the Junior High students walking to the Library from the school in groups accompanied by a teacher, Mr. Rafferty, Mrs. Dean, Mrs. Raleigh or Mr. Lussier. Each student is allowed five books, three periodicals and two records for a week loan period. Books are returned rather promptly with a little reminder now and then .

Student volunteers have been just great. Helping me in this category have been Cyndie Bernard, Linda Dary, Michael Berthelette, Michael Ashley, Doreen Sylvia, Colleen Van Cott and Ellen Dillingham. Students volunteer as an aide when they enter Junior High School and as an opening develops they begin their duties. It has been a real pleasure to work with these young people. They are a great help once they have learned the routine.

The Eastern Massachusetts Regional Library System continues to serve us faithfully. The Bookmobile has loaned us a total of 847 books in 1977. The Taunton Public Library still honors our requests for special books, a total of 49 in 1977, despite the fact that they are extensively renovating their building. The time element is much longer between request and receipt of request but it is still done and we appreciate the patience of our patrons.

I wish to thank the residents who have donated books to our library and a very grateful "thank you" to the trustees, Mrs. Carol Milko, Mrs. June Moskal and Mrs. Irene Viera for their patience with their new librarian and for their constant interest in providing for the needs for the functioning of your library.

Respectfully submitted,

ELEANOR DILLINGHAM,

Librarian

REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

Monthly meetings of the Board of Trustees of the Berkley Public Library are held on the third Wednesday of each month at 8 p.m. at the Library. Carolyn Milko is chairman; June Moskal, secretary and Irene Viera, board member.

Francis Andrews, Town Clerk, conducts office hours in the basement of the Library during the hours the Library is open which are Mondays, 6 to 8 p.m.; Thursdays, 10 a.m. to 8 p.m. and Fridays 2 to 5 p.m.

Mrs. Catherine Custy resigned from her position as Librarian in August due to moving. As trustees we were sorry to see her leave. We also welcomed Mrs. Eleanor Dillingham who started her new position in September and thank her for her service she has given to the library replacing Mrs. Custy. We also give our thanks to Doris Caron for her able assistance.

We hope that the townspeople will take advantage of their library, especially new residents of the town, and we are always open to suggestions as to how we may better serve you.

Respectfully submitted,

CAROLYN MILKO

BRISTOL-PLYMOUTH REGIONAL TECHNICAL SCHOOL

ANNUAL REPORT—1977

I hereby submit my first Annual Report to the citizens of the Bristol-Plymouth Regional School District. This has been an eventful year in the history of Bristol-Plymouth. On January 31, 1977, Mr. Charles F. Day, the first Superintendent-Director of Bristol-Plymouth, retired. Mr. Daniel J. Saunders was appointed Acting Superintendent-Director at that time. At a subsequent meeting he was appointed Superintendent-Director to become effective July 1, 1977.

The School Committee representing the Bristol-Plymouth School District was comprised of the following people:

Frank Moskal	Berkley
Robert S. Stone	Bridgewater
John D. Ryder	Middleboro
William R. Powers	Raynham
William H. Gallagher, Jr.	Taunton
Peter J. Wasylow	Taunton

The Educational Program at Bristol-Plymouth Regional Technical School serves 738 High School students and 125 Post Graduate students in 17 Occupational Programs.

This year we commenced our House Building Program which is an extension of the Carpentry Shop. This program also utilizes the facilities and students of Electrical, Industrial Maintenance, Painting & Decorating, and the Machine Drafting Departments. Our Summer Program, an experiment in career awareness, proved to be highly motivating and successful.

We have expanded our Food Trades Program so that now Senior Citizens of the region may avail themselves of the services of this particular shop and, at the same time, offer to our students an expansion of their educational training.

The Academic Program at the school continues to stress basic concepts in English, Math, Social Studies, and Science. We have instituted a Remedial Math Program which is a much needed addition. Our students have competed in local and state oratorical contests. We have published four editions of the SCRIBE Literary Magazine which has received accolades on local and state levels. We have placed three High

School Seniors into our Data Processing Post Graduate Program as a pilot program to determine the feasibility of having a High School Data Processing Program. Although our philosophy is to teach those skills which are necessary for direct employment, we have attempted to assist those students who after two or more years at Bristol-Plymouth have shown a desire to further their education directly upon graduation by offering special accelerated courses that would be of assistance to them. Only a small percentage of our graduates go on to higher education, but their success in higher education speaks for itself.

The Guidance Department was most active in providing an effective program to meet the needs of our entire student body. Every attempt was made to comply with state and federal laws regarding Title IX and Chapter 622. Through the Guidance Department every student applicant to Bristol-Plymouth is tested and interviewed prior to his selection.

The Special Needs sector of the Guidance Department is in full compliance with Chapter 766. This department serves students with varied special needs. In addition to the full-time employees of Bristol-Plymouth who are engaged in special education, the school is a member of the Vocational Technical Special Needs Collaborative which makes it possible for Bristol-Plymouth to economically provide a greater range of services. Presently, 70 students, or approximately 10% of the total school enrollment, have been identified as having special needs and other referrals are currently being evaluated. In addition, over 10 students participate in an adaptive physical education program, funded this year through a grant under P.L. 94-142. We are very pleased that Bristol-Plymouth's Title I proposal was one of the first vocational school programs to be approved and funded, and we are optimistic that the program will be a success.

I wish to take this opportunity to thank our School Committee, Advisory Board, and the enthusiastic parents and citizens who support Bristol-Plymouth.

Respectfully submitted,

DANIEL J. SAUNDERS,
Superintendent-Director

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I herewith submit my first report as Superintendent of Schools.

For the past twenty-two years the school system has been under the capable superintendence of Robert T. Roy. Mr. Roy's retirement and untimely death concluded a career which was devoted to the children he served. Through his effective leadership style and personality he won the respect of students, fellow workers, school committeemen, parents and citizens. Through his contributions Mr. Roy achieved local and regional recognition as an outstanding educator. Mr. Roy was known by his colleagues as the Dean of Superintendents in Southeastern Massachusetts. An individual of such stature touches, and to some degree affects, the life of everyone he meets. Robert T. Roy was that kind of a man and educator. It was an honor to know and work with him.

The respect of the committees he served is attested to by the many tributes which were paid to him prior to his death. Everyone connected with Mr. Roy recognized how proud he was to have the D-R athletic fields, the scholarship fund and the outstanding D-R student award carry his name. The combination of these honors, the Roy scholarship fund, the Roy medal and Roy athletic fields, pay justifiable tribute to and are permanent memorials for the contributions of an outstanding man and educator. He will be missed but not forgotten!

I call to your attention to the report of the principal, Edward Canuel, which follows:

REPORT OF THE PRINCIPAL

Dr. Joseph C. Harrington

Superintendent of Schools

Dear Dr. Harrington:

I hereby submit my ninth annual report as Principal of the Berkley Schools.

Community Resources

We have made an attempt to identify available community resources to augment the educational programs in our schools. A survey was conducted to provide us with information which would be used to develop challenging experiences and stimulating personal exchanges for our students. Its benefits would be twofold. Our students would gain from exposure to skills, experiences, and ideas outside of the regular school curriculum and interested citizens would feel a sense of accomplishment by the impact made on students through their involvement.

We received a 1% response to this survey. This poor response is not a true indication of the Berkley citizenry. I feel that our students can still benefit from such programs if Berkley citizens are willing to share their creative talents, professional activities, and exciting experiences with Berkley's future citizens. Therefore, we will continue to search for such assistance within this school year.

Federal Programs

Berkley has received three federal grant monies to supplement our school programs. Title I provided us with some \$9300, Title I-B Amendment with \$4000, and Title IV-B with an additional \$800.

These funds have helped us obtain a teacher, an instructional aide, library books, educational kits, filmstrip/cassette programs, maps, a filmstrip projector, and other miscellaneous instructional materials.

The Berkley Elementary School has benefited from a fifth consecutive year of Title I funds. The 1976-77 program was most successful as described in our evaluator's report. His findings were: 1) Test data reflected that substantial educationally significant gains were made by our students.

A total of 17 sub-skills areas were tested. Fifteen of these areas showed significant gain scores. 2) Individual profile data indicated that most students made mastery level progress on objectives they were deficient in upon entry into the program and nearly all students made substantial progress on all objectives assigned to them. Psychometrics Inc., our Title I evaluator, concluded: "This is overwhelming evidence of the instructional impact of this program."

During the summer, a Title I-B amendment proposal was developed for our Junior High School. This would provide students with Reading or Mathematics help and some occupational/career activities and experiences. We received word in late October that the Massachusetts Department of Education approved our project. Berkley was one of twenty-three school districts in Massachusetts receiving such a grant. I am happy to state that Berkley's program has started to function in December.

Title IV-B funds helped us to strengthen and supplement the curriculum programs in our schools. Reading, Social Studies, Language, and Library areas received additional instructional materials.

We are grateful for the success of these programs and for the involvement of teachers and parents needed to help these programs comply with project regulations.

High School Follow-up

During the past two years, our efforts have been directed to following up our junior high school students. We have conducted personal interviews and held conferences with High School guidance departments and Berkley students attending Taunton High School, Coyle-Cassidy High School, and Bristol-Plymouth Regional Technical High School.

Mrs. Barone, Guidance Counselor, Miss Medeiros, Head Teacher, and Mr. Canuel, Principal conducted these interviews and conferences. We can conclude that the Berkley Junior High faculty has prepared these students to function at this educational level. The staff has made proper student recommendations for their high school freshman year. Berkley students have been successful and have displayed acceptance of their new educational status.

The Berkley Junior High School faculty was provided with an in-service workshop program with Bristol-Plymouth Regional Technical High School. The staff received information on the school's programs and toured its facilities. Teachers were offered this opportunity so that they could better guide their students for the future.

With the information provided us with the follow-up of our students and in-service program, we hope to further develop our Junior High School programs so that our students will be even better prepared for High School, and make an easier transition from Junior High School to High School.

Newsletter

We began the 1977-78 school year with the Berkley Newsletter. It seemed that our school could provide a valuable service to the Berkley citizens by publishing a monthly newsletter.

Various town organizations were contacted and told of our intention. The Newsletter would provide an opportunity for these groups to publish minutes of meetings and notes on scheduled events and projects. It would also afford our students the chance to write articles. The Newsletter was not only distributed to our students but also was placed in three town locations for distribution to citizens who did not have students in our schools.

Since the first publication in October, which offered seven organization articles, the December issue published one such article. If the Berkley Newsletter is to provide Berkley with such a service, we would hope that all town organizations use this communication vehicle to provide news of their programs to the Berkley citizens.

Hi-Potential, Hi-Performance Program

This year saw the acceptance of the Hi-Potential, Hi-Performance policy by the Berkley School Committee, the procedure for implementation of such a policy by our faculties, and the involvement of parents and interested citizens in such a program.

The policy will be aimed at students who by virtue of outstanding abilities are capable of outstanding accomplishments. Thus far we have obtained some valuable input from interested parents and teachers, information on gifted programs, and sent school personnel to two workshops.

Conclusion

The generosity and involvement of certain groups have greatly enhanced the Berkley School program and activities. The following groups deserve our gratitude:

The Berkley Police Association for its continued support of our music program and for Christmas parties held in both schools. The Berkley Lion Club's motto "We Serve" has been exemplified by giving us the opportunity to use the Community Center for parts of our music program. The Parent Advisory Council which helps us comply with federal regulations for our Title I programs. The Berkley Parent-Teacher Organization which continuously supports our educational programs and develops activities benefiting the social and recreational welfare of our students. The Berkley Public Library Trustees which allows the librarian to accommodate our Junior High School students.

I wish to publicly thank Mrs. Diane Ennis, who worked on a volunteer basis, with fifth graders. Under the direction of our fifth grade teachers, she was engaged with activities benefiting some gifted students.

The faculties of both schools have contributed greatly to our program, in many instances far beyond expectation.

The supportive personnel of our schools: secretary, custodians, nurse, cafeteria workers, and teacher aides again deserve appreciation for the extreme effort being put forth by all.

I am also very appreciative of the interest and cooperation of the School Committee, Dr. Harrington, the parents, and students of our schools. It is through this spirit of cooperation that our school program is fostered.

Finally, I once again take this opportunity to publicly thank our departed Superintendent of Schools, Mr. Robert T. Roy, for his many years of advice, guidance, and support.

Respectfully submitted,
EDWARD G. CANUEL,
Principal of Berkley Schools

Conclusion

The initial and sustained co-operation, performance and support from the office staff during my first six months as superintendent have been outstanding. Each one made contributions that allowed us to effectuate a smooth transition.

The central office administrators and building principals, which make up the administrative team, have been understanding, co-operative and supportive. Individually and collectively they make a significant contribution to the education of the youngsters we serve.

I have enjoyed the interaction I have had as Superintendent with our teaching staff. We have scheduled meetings in each building to allow members of the staff to have input into the decision making process and to provide an effective means of feedback. The dialogue during these meetings has been very worthwhile. These meetings have the potential for becoming an important part of future decisions.

My respect for all the employees in the system has gained a new dimension. My previous connection with them provided an insight into one aspect of their contributions. My new role has provided me with new insights which have increased my respect. The school system and the Town is fortunate to have such a fine dedicated staff. Each one plays an important role in the success we achieve. You can be proud of their effort and accomplishments.

The members of the School Committee have been co-operative and understanding. These individuals, through their civic contributions as members of the School Committee, devote many hours of their time, energy and talent to their ever increasing responsibilities. I acknowledge their contributions, admire their effort and appreciate their understanding and support.

My association with the youngsters in our communities over the past nineteen years has been the source of tremendous pleasure, enjoyment and professional pride. I am pleased that my new role as Superintendent allows me to play a more active role in their education.

Finally, I acknowledge and appreciate the support and encouragement I received from individual members of the community; it was deeply appreciated. My first six months as Superintendent have been all I expected, and more. I am proud to be Superintendent of Schools for Union #37 and the Dighton-Rehoboth Regional School District.

Respectfully submitted,

JOSEPH C. HARRINGTON, ED. D.,
Superintendent of Schools

GENERAL INFORMATION

Kindergarten Registration

1. Child must be five years of age or will be five years of age on or before the following January first.
2. A birth certificate is required.
3. A doctor's certificate of immunization against diphtheria, pertussis, tetanus, measles, and poliomyelitis, unless exempted for medical reasons, must be presented at registration time.
4. A recent physical examination recorded on the Massachusetts Health Form by the child's doctor must be completed.
5. Following the registration, appointments will be arranged for a hearing and vision evaluation at school.

Health Policies

1. In case of illness, doctor's certificates are only necessary for communicable diseases or if specifically requested by the school.
2. No student will be allowed to bring medications to school unless the school nurse has a doctor's order specifically stating the name of the medication, dosage, time to be given, the student's diagnosis, and the necessity of taking the medication during school hours. The doctor's order should be accompanied by a signed and dated note from the parent requesting the administration of the medication. A final check with the physician will be made by the school nurse.
3. Transportation of a sick child is the responsibility of the parent and only in an emergency will the school provide transportation.
4. Vision and hearing screening tests are conducted annually.
5. Physical examinations are given yearly in grades: Kindergarten, one, five, and eight.

School Hours

The Berkley Elementary School is in session from 9 a.m. to 3 p.m.

The Berkley Junior High School is in session from 7:30 a.m. to 1:30 p.m.

School Notes

When a student is absent from school, he is expected to bring with him a written excuse from his parents explaining his absence.

A request for dismissal before the end of the school day should be made in person or in writing by the parent.

The Principal's Office, located at the Berkley Elementary School, is open from 7:30 a.m. to 4:00 p.m.

No School—Stormy Day Information

During the winter when we have snow or ice storms the decision as to whether we have a late start day or no school will be broadcast on the following radio stations between 5:30 and 6:30 a.m.

WPEP - Taunton	WRLM - Taunton	WSAR - Fall River
WALE - Fall River	WARA - Attleboro	WPRO - Providence
WJAR - Providence	WEAN - Providence	WHIM - Providence

There could be a "late start day" announcement followed in an hour or so by a "no school day" if there should be a change for the worse in the weather conditions.

Transportation

Bus transportation is provided for our students in Grades K-12. Bus rules for students have been established by the School Committee. A student must not abuse the privilege of riding to and from school by misbehavior. The enforcement of bus rules is the responsibility of the bus driver. Lesser infractions are handled by warnings and restrictions. When a positive change in the student's behavior has not been affected or a serious offense has occurred, the procedure calls for the student's referral to the Office of the Principal. The next offense will call for a probationary period followed by loss of bus privilege.
